KOSCIUSKO BAPTIST ASSOCIATION

PROCEEDINGS

The Sixty Fourth Annual Session of the Kosciusko Baptist Association met with the Bear Creek Baptist Church on Friday, October 17th, 1924, at 10:30 A. M.

Rev. H. M. Whitten, Weir, Miss., read Phillipians 4:8. Dr. S. L. Morris of Ackerman led the opening prayer.

On motion by C. S. Johnson the Association unanimously voted that A. F. Temple cast the ballot for the body for A. T. Cinnamond, Moderator, and V. B. Temple, Clerk and Treasurer. This was done.

The Moderator then appointed the following committees:

Finance—Tom Breazeale and F. M. Bailey.

Enrollment—K. C. Williams and W. R. Rogers.

Devine Worship—Rev. D. I. Young and the Deacons of Bear Creek church.

Nominations—J. E. Sweaney, D. L. Brown and Tom Lacey.

Resolutions—C. S. Johnson, Spurgeon Thornton and J. M. Gregory.

Corresponding messengers called for and received as follows: From the Choctaw Association, Rev. H. M. Whitten, Rev. S. L. Morris, G. D. Weatherall and J. H. Ward.

Newton County Association: L. A. Roebuck.

Pearl River Association: Rev. J. L. McMillan.

J. P. Johnson was called on to make a report of his trip to the Southern Baptist Convention at Atlanta last May. The report was one of the best that the Association ever heard.

The Moderator at this time recognized the presence of Rev. Ray, the Methodist pastor at McCool, extending him a cordial welcome, on behalf of himself and the Association.

The hour having arrived for the Annual Sermon, Rev. H. T. Vaughn was called to the pulpit. He took as his subject "God's Call." He preached a strong sermon.

Announcements. Then the body adjourned until 1:30.

Afternoon Session

The Association was called to order by the Moderator who called on Brother A. F. Temple to lead the prayer.

Report on Social Service:

The report on Social Service was read by Rev. J. W. White and adopted as follows:

Social Service is an expression of Christian principles unfolded in the life of our Lord, who went about doing good. He has given us an example that we should follow in his steps.

Again Social Service is an outward reach of an inward love, stimulated

KOSCIUSKO BAPTIST ASSOCIATION

in the hearts and lives of those devoted to him, who seek through the application of the Golden Rule to be their brother's keeper.

This work is essential to the occupancy of our position and the fulfillment of our mission who are sent as the light of the world, and the salt of the earth.

We cannot attain the Christian sphere nor maintain the Christian ideal without agencies having to do with crime, immorality, poverty, disease and everything which seeks to debauch and corrupt society.

Experience and observation have taught us that three measures are indispensable in carrying out our obligation relative to preparation of the gospel soil for a more abundant harvest in the world field, namely:

1. Prevention measures: Sanitation, hygiene, law enforcement.
2. Corrective measures: Prisons, Asylums, Reformatory schools.
3. Relief measures: Orphanages, Hospitals and Good Will centers.

The Baptist Orphanage, Jackson, Miss., is in its 27th year of useful service. It cared for 170 children this year and the outlook for another years adds to its burdens. There has been but little sickness and no deaths. It has been necessary to borrow \$2000.00 and unless people meet their obligations or pledges to the campaign, will have have to borrow \$2000.00 more.

The Baptist Hospital, Jackson, Miss., has for the year ending August 1st, 1924 treated 1850 patients. Cost of running expenses during the time, \$66,175.64. Charity patients costing \$6,245.55. The capacity of the hospital is 75 beds, 3 operating rooms, 3 Xray machines, 28 nurses are in training and 26 physicians and surgeons.

The hospital needs equipment for dressing tables and chairs for 36 rooms.

The Baptist Memorial Hospital, Memphis, Tenn.

The service rendered continues to grow. The first 6 months of this year 5941 patients were admitted, over 1000 more than for the same time last year. Tennessee had 4100, Mississippi 919, Arkansas 606, others states 31. 1524 patients were Baptist, 1382 were Methodist.

The cost of operating hospital for the 6 months was \$191,245.55, of this \$63,126.96 was expended in charity. The laundry handles 5600 pieces per day and 2,100 meals are served per day. 35 nurses graduated this year. Religious services daily. Pastor of the City visit the hospital and hold services daily. Monday evening prayer meetings are held. The S. S. Home Department has its regular work here. The women do a great work in their organization.

The bonded indebtedness stands today \$210,000.00. The expectation is that the Baptists meet their pledges.

Then we brethren having this great opportunity as also the tremendous

KOSCIUSKO BAPTIST ASSOCIATION

responsibility thrust upon us to reduce crime, reform morals, administer to the sick, feed and clothe the orphans, aid the wornout ministers, let us get about the task with renewed energy and a broader vision, contributing of our means in proportion to our means. Looking to Him and trusting in Him who said, "Whatsoever measure ye meet with all, it shall be measured to you again."

Respectfully submitted,

J. W. WHITE.

Spoken to by J. L. McMillan, A. F. Temple, J. E. Sweaney, W. J. McPhail, D. L. Brown, and J. W. White.

Dr. S. L. Morris preached to a good congregation at the school building at 2:30.

The body adjourned until 9:30 the following day.

Saturday A. M. Session

The association was called to order by singing "We're Marching to Zion," at 9:30 and Rev. H. M. Whitten led the prayer. Dr. J. T. Bailey read a portion of the fiftieth Psalm, making some comment.

The Moderator was authorized to appoint a committee to ascertain if Doty Springs church wished to remain a member of this Association, and to report at the next meeting. The committee follows: F. M. Bailey, W. M. Burns. (At a later time a representative from Doty Springs church came and presented a letter to the Association, thereby making it unnecessary for this committee to take any action in the matter.)

Report on Missions

The report on Missions was read by J. P. Johnson and adopted as follows:

This field of labor is divided into three divisions, State Missions, Home Missions and Foreign Missions.

"Missions" the act of sending or being sent with certain powers in these we refer especially to the propagation of religious activities. This work is delegated to men and women who have been called of God and specially fitted for this work to take the message of salvation to all people both small and great to earth's remotest bounds.

State Missions

The State Mission Board is the channel or avenue through which our mission in the state are fostered, and we who as members of the Kosciusko Association, constitute one of the branches or streams flowing to this channel to help water and enrich this great field of endeavor.

This comprises church building and extension work; Supplementing the salaries of preachers who are working and giving their lives in work to elevate and lift up those in waste places. To hold up Christ to those who

KOSCIUSKO BAPTIST ASSOCIATION

need him in the outlying field of our great state.

Under this comes our Denominational Schools and Colleges. Mississippi College, Clinton; Clark Memorial, Newton; Woman's College, Hattiesburg, and Blue Mountain College, Blue Mountain. These indeed are valuable assets to our denomination and should have the hearty co-operation of every Baptist. They are accomplishing untold good which shall come down the ages and not only in our state but in others as well. The products of these colleges are sought everywhere.

The State Board in its annual session December laid out the work for the year 1924 on the basis which called for the expenditure of \$130,000.00 for State Mission work. The largest item in this budget was for church building which amounts to \$40,000.00. The \$130,000.00 only comprises about 19 per cent of the total amount to be raised for all causes, a colossal task indeed and how the work need all of it.

"Sunday School" is another great asset to our religious development which has the hearty co-operation of our board and through the activities and sacrifices of our enlistment workers is making great progress; better and more efficient teachers are being developed and we rejoice in anticipation of greater work.

May I mention another very important work confronting us? That is the winding up of the 75 Million Campaign pledges. If we fail in this many of the worthy objects fostered by our denomination will suffer.

Home Missions

We refer with gratitude and rejoicing at the wonderful progress made during the few years in Home Mission Work. It is unique and outstanding especially when we look back over the five years of the 75 Million Campaign. A study of the Board's report for these five years reveals a record of great achievement. Notwithstanding there has been a heavy debt hanging over the board the past four years. God has wonderfully blessed the labors in their work and through this channel thousands of souls have been brought to Christ.

In surveying the field we are confronted with problems that must be handled. Reading the daily papers reveals to us a deplorable fact; that is, the disregard for law and government. It is abroad throughout the land. Changing of conditions in the industrial world and migration is having its affect, and the insidious errors creeping into our schools and colleges is bearing its fruit and casting a shadow which means death-eating as a canker at the vitals of our civilization.

The Home Mission Board, notwithstanding its burdens and retrenchments it has had to make has done wonderful work and presents a wonderful outlook for the future.

KOSCIUSKO BAPTIST ASSOCIATION

The following is a brief of some of its work for the last five years; sermons and addresses 802,382, prayer meetings 101,075, religious visits 1,238,210, Baptisms 203,532, total additions to the churches 324,086; volunteers for Christian service 15,049; church houses built or improved 2,225; Sunday Schools organized 3,183; copies Scriptures given 55,533; pages of tracts distributed 35,812,479.

Foreign Missions

A glance at the statistics of our Foreign Mission Board brings gladness to our hearts when we note the wonderful success of our foreign mission cause, so reassuring that it bids us struggle on with a greater determination than ever.

We have in our foreign mission fields 1,095 churches, in which are enrolled 11,872 members, three hundred eight of our churches abroad, or about one third are self-supporting, this shows 97 over previous year, or an increase of self supporting churches of almost 50 per cent in one year.

We sent out 54 new missionaries during the year, bringing the total of our foreign missionaries up to 544. After deducting losses we made a net gain of 43. Our needs are far greater.

The native workers now number 2,494. The building up of this native force of workers is paramount and of the gravest moment. The final evangelization of every land must be done through the native workers.

We have 860 schools of all grades, in which were enrolled 35,106 students. Kindergarden, primary and middle school grades comprise the larger number of schools while there are five colleges thirteen normal training schools, and the Bible and Theological Schools in which are being trained 416 preachers.

We have splendid medical work in China, Africa and Mexico. We have in our forces sixteen male and 3 female physicians, and a number of trained nurses. There are nineteen native physicians and 29 native nurses. There are 23 buildings of all descriptions in our nine hospital plants. In these are rooms for 796 beds. In these hospitals were treated last year 6,299 patients, outside of the hospitals were 70,415. The total number treated or given treatments were 294,422.

Thus our work abroad presses forward with the favor of God upon it. How we should rejoice in it and give praises unto our God and King, and yet are we doing or supporting it as we should?

May the Lord bless us and give us the vision of the work we should have in our mission fields.

Respectfully submitted,

J. P. JOHNSON.

Spoken to by J. P. Johnson, Dr. R. B. Gunter, and adopted.

On motion Rev. D. I. Young was elected to represent this body at the next Southern Baptist Convention at Memphis, next May. Rev. J. W.

KOSCIUSKO BAPTIST ASSOCIATION

White was elected as alternate.

Saturday P. M. Session.

At 1:30 the Association was called to order. Rev. W. H. Beauchamp led the prayer.

Dr. T. J. Bailey, chairman of the Anti-Saloon League in Mississippi, was invited to address the body by the moderator. Dr. Bailey's address was, as usual, a very forceful one. He made it clear that the work of the prohibition forces, together with the secret service department of the government had wrought a wonderful work in the land and that millions of money, yea billions, had been saved to the people as a result of the great decrease in the sale of intoxicating liquors.

Report on Christian Education

The report on Christian Education was read by V. B. Temple as follows:

Mississippi College

Mississippi College was founded in 1826. In 1850 it came under Baptist control. The history of the old college is a glorious one. 85 of our choicest young men and young women were in last year's graduating class. The total enrollment was 522. \$15,000.00 was spent for general improvement last session. An A-1 Sunday School with a average attendance of 485 with 7 or 8 organized classes for Mississippi, College men were largely attended by students. Mississippi College is a member of Southern Association of colleges and Secondary schools, thus giving her a standing with other colleges and Universities not hitherto enjoyed. There are 6 college B. Y. P. U's. Eight men during the session answered the call to preach. Mississippi College needs an administration building and her endowment increased to \$1,000,000.00.

Mississippi Woman's College.

The Woman's College began its work 12 years ago. Two wooden buildings and a faculty of 8 made up the equipment and the working force. Today the faculty numbers 35. Campus contains 40 acres. There are 8 commodious buildings. At Richmond, Va., last December the Woman's College was placed on the second list of schools and colleges, thus giving her the privilege of teaching in any of the high schools in the country. In the religious work the college has retained its leading.

Woman's College prides itself upon the excellence of its special department of Piano, Voice, Violin, Speech Art, Home Economics, and Business. The home life of Woman's College community is charming. Board and literary tuition in fire proof dormitories, two students in a room with adjoining bath is \$320.00. Board and literary tuition in Dockery

KOSCIUSKO BAPTIST ASSOCIATION

Hall, industrial plan \$206.00. The Woman's College needs a \$500,000.00 endowment.

Blue Mountain College

Blue Mountain opened her fifty-second annual session September 17th. She is better prepared than ever before to give proper conveniences and thorough training. The Library, laboratories, grounds, course of study and faculty were investigated a year ago by a representative of the Southern Association of Colleges and Secondary Schools and were approved and the College was placed upon the second list of said Association. This means that the graduates of the Blue Mountain College can secure professional license to teach in all the public schools of Mississippi for life. It also means that the best advantages are offered to them in piano, pipe organ, violin, voice, expression, home economics, art, and in the standard studies looking toward B. A. Degree.

Clark Memorial College.

Clarke College Newton, Miss., is our co-educational junior college. Four years of accredited high school work and two years of college work are offered. Brothers and sisters are permitted to attend college together, to study side by side. Regular study hours are observed. Religious influence is fine. A standard Y. W. A. has been maintained during the session. B. Y. P. U. made an average of 99. Splendid course is offered in Bible. Old administration building was lost in fire. A new \$50,000.00 fireproof structure now going up. Clarke College needs a \$250,000.00 endowment.

Hillman College

Although Hillman is a private school, it was founded by Baptists, is owned by Baptists, is endorsed by the Baptist State Convention and is located in the center of Baptist influences. Tuition free to wives and daughters of Baptist preachers. Director of music is one of the best educated in music in the South. All other departments are headed by specialists. Religious advantages in Clinton are the very best.

Baptist Bible Institute

Baptist Bible Institute gives a full Theological education. 250 were enrolled last session. School is co-educational. The department of Religious Education is greatly enlarged. Baptist Bible Institute has wrought a miracle in New Orleans. The institution's greatest need is money. No income except from 75 Million Campaign. Faces large deficit if campaign pledges are not redeemed and special gifts made.

KOSCIUSKO BAPTIST ASSOCIATION

Southwestern Baptist Theological Seminary.

Enrollment 1923-24, 649. 960 in the Correspondence Department. In the graduating class last session 122. 14 professors and 20 assistants. Buildings worth \$1,200,000.00. Has an endowment of \$460,000.00. Needs permanent endowment sufficient to guarantee running expenses. Administration building, music building, building for religious education, a gymnasium, students fund.

Southern Baptist Theological Seminary

Southern Baptist Theological Seminary is located in Louisville, Ky., Session 123-24 one of the best in its history. Faculty is unsurpassed in scholarship. Conditions bright for the coming session. The outstanding need is money for the new building program.

WOMAN'S WORK

(By Mrs. A. T. Cinnamon)

The Woman's Missionary Society in its annual meeting in connection with Kosciusko Association, met Saturday, October 18th. The house was filled at the appointed hour for the meeting. Eight societies reported the work done during the year. Increased earnestness and zeal were shown in the reports given along all lines of work. The Sunbeam boys and girls delighted the women with songs and playlet. Miss Slaughter, field worker in Mississippi W. M. U. work, gave a most inspiring message. Two new societies, one Sunbeam and one Y. W. A. organized during this year. Mission study is being used intensively in the societies and personal service work is greatly increasing. The officers were re-elected Mrs. A. T. Cinnamon, President; Mrs. H. A. Polard, vice-president; Mrs. L. E. Crawford, personal service chairman; Mrs. W. A. Black, Young people's leader; Mrs. J. P. Johnson, Mission study chairman.
